Sub: Absence from the Pan-District CSR Review Meeting, Seraikela – Kharsawan, held on 31.08.2015 and general non-cooperation with regard to the 'School Adoption Initiative' launched under the aegis of statutory and mandated CSR (regarding).

Madam/Sir,

Your absence from the Pan-District CSR Review Meeting (moderated by the District CSR Committee) held on 31.08.2015 at the Collectorate, Seraikela, which had the crucial agenda of taking stock of progress under, and further expansion of, the 'School Adoption Initiative' that has been launched under the aegis of CSR in the district of Seraikela – Kharsawan, is deeply disappointing and reeks of disrespect for the core objective of socio-economic advancement in the State of Jharkhand.

From the statutory standpoint, your action is tantamount to a disregard for (a) the provisions enshrined in Sec. 135, Companies Act, 2013, (b) Jharkhand Gazette Notification No. 05/u.ni.(MoU)-23/2013/692, Dated 31.03.2015—of the Dept. of Industries, Govt. of Jharkhand and (c) Letter No. 355/DPO, Seraikela, Dated 24.08.2015.
