DE

1. Meeting started by Deputy commissioner, West Singhbhum, Chaibasa, and he said that the meeting which was held on 19th of June 2015 chaired by Hon, able Chief Minister of Jharkhand, the decision taken there and direction given by the Hon,able chief Minister that has to be taken seriously and each and every company who were committed whatsoever they will have to comply with.

2. Representatives of SAIL, TATA, and ACC confirmed their commitment to operate and run 4 ITIs in Gua, Manoharpur, Jagannathpur and Jhinkhpani. Deputy Commissioner (DC) west Singhbhum directed the companies that operationalization of ITIs are very important and already the model is successfully tested in the state. Dept of Labour has already prepared certain guidelines in this regard. Dist planning officer is asked to coordinate the between the company and the dept. DC also stressed that the companies should take immediate action to formalise the same so that early compliance can be ensured and can be intimated the CMO and the depts.

3. DC, West Singhbhum directed the companies that MOU for starting of ITI should be completed as early as possible.

4. All The companies are preferring Noamundi block for supply of Bench-desk in school, in consent of it DC, west Singhbhum said that it is not possible for all the companies to provide Bench -Desk in Noamundi block, companies should provide the bench-desk to their allotted blocks.

5. DC, West Singhbhum directed the Mr. Anil Khirwal to provide the bench desk in 10 schools.

6. M/s Rajkumar Shaw also agreed to give Desk benches to 50 schools and M/s Newatiya agreed for 11 schools totalling total 1060.

7. All the companies informed the deputy commissioner, West Singhbhum that survey has been started but it is not possible to provide all the bench-desk in one go, therefore companies should be granted some flexibility in time for delivery of bench-desk.
